A large blue cargo ship is shown from a side-on perspective, moving across a body of water. The ship's hull is a deep blue, and the name "ATILLA" is printed in large, white, sans-serif capital letters on the side. The ship has a white superstructure at the top, including a bridge and various masts and rigging. The water is a light blue-grey color, and the background shows a hazy shoreline with some buildings and trees. The overall image has a slightly grainy, low-resolution quality.

A large cargo ship, the PHOENIX BEACON, is shown from a side-on perspective, moving across the ocean. The ship's hull is painted in two distinct colors: a dark, almost black upper section and a reddish-brown lower section. The name "PHOENIX BEACON" is printed in large, white, sans-serif capital letters on the black upper hull. Above the name, a white crane or derrick structure is visible. The ship's deck is visible, showing various pieces of equipment and a railing. The water is a deep blue-green, and a white wake is visible behind the ship. The sky is a pale, overcast grey.

PHOENIX BEACON

A large cargo ship, the ALATEPE, is shown from a side-on perspective, moving through the water. The ship's hull is painted in two distinct colors: a dark red upper section and a black lower section. The name "ALATEPE" is printed in large, white, sans-serif capital letters on the red portion of the hull. Below the name, there are two white symbols: a stylized wave-like mark on the left and a circle with a cross inside on the right. The ship's superstructure, including a white mast and various deck equipment, is visible against a clear blue sky. The water is a deep blue, and white foam is visible at the ship's wake.

A red and white ship, likely a tugboat or a small cargo vessel, is shown from a side-on perspective. The ship's hull is painted a vibrant red, with the word "AZUR" written in large, white, sans-serif capital letters. Below the red section, the hull transitions to a white or light grey color. The ship is moving through dark, choppy water, creating a white wake. In the background, there is a shoreline with a concrete wall, some trees, and a building. The overall scene is captured in a slightly grainy, low-resolution photograph.

A large blue ship, the 'BLUE STARI', is shown from a side-on perspective. The ship's hull is painted blue, with the name 'BLUE STARI' written in white, bold, sans-serif capital letters. Below the blue section, the hull is heavily rusted and appears brownish-red. A yellow mast or pole is visible on the deck. The ship is moving through blue water, creating a white wake. In the background, there are green hills and a red structure, possibly a bridge or pier. A smaller white boat is visible in the distance on the left.
